

# Print to actual size - UK A4

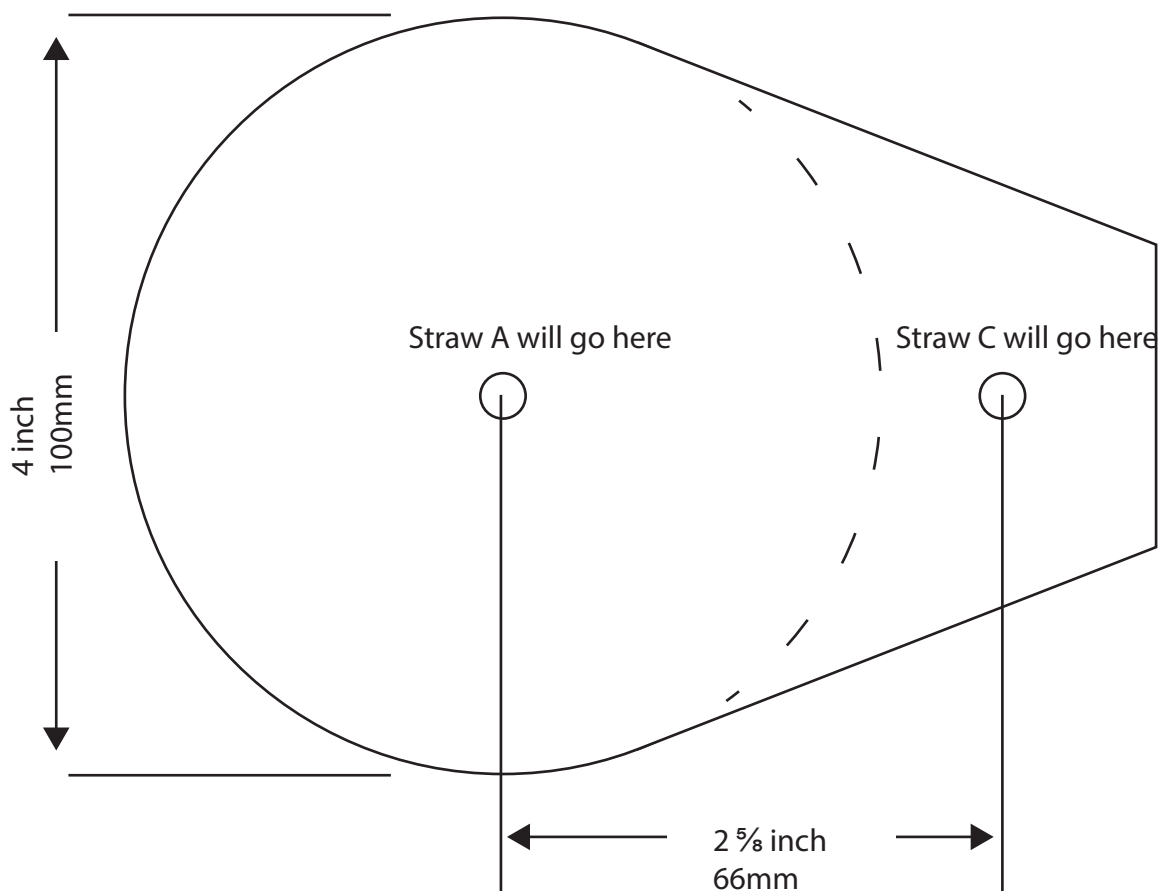

## Cross piece

Print on plain paper and cut out. Trace onto corrugated cardboard and cut out.

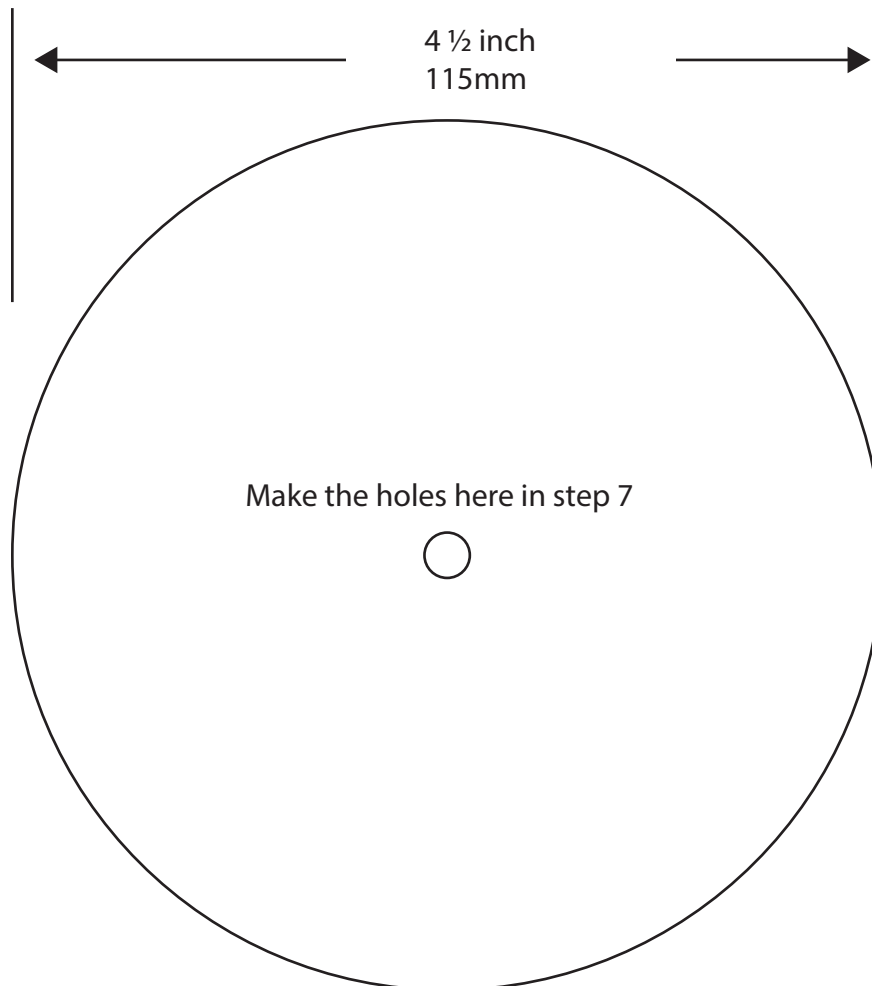

## Base piece

Print on plain paper and cut out. Trace onto corrugated cardboard and cut out.

# Stand circle

Print on plain paper, cut out and trace onto corrugated cardboard.  
Cut out the cardboard circle, then repeat to make 4 cardboard circles in total.

# Moon wire

Ask an adult to bend a paper clip into this size and shape. This will be used in step 4.
